

Healing Looks Like This

Training: Coming Soon

When: Monthly

Where: Virtual Platform

Fee: USD 00 Entire Training

Manual Fee: Included in the price of the training

Audience: All

Trainer: Dr. Sheila Sweeney, LICSW

This training combines live online experience, guided self-study, and an online community to help you stay connected and supported. This community experience links you to a learning environment that provides you with a variety of group learning engagements.

You will engage in guided self-study, in-depth community discussions, and strategies to help foster greater experiential insight. Our community will explore ideas on how to transform trauma to healing for all.

Training Workshop Includes ____ Units (each unit covers ____ hours of curricula):

Unit 1:

Unit 2:

Unit 3:

Unit 4:

Manual: A support manual goes along with this training. The manual is to assist the learning process. The manual price is included in the training fee (you will receive the units that go with the training package purchased).
